

SIBUR INTERNATIONAL GMBH BUSINESS TERMS AND CONDITIONS

These Business Terms and Conditions (hereinafter referred to as "**BTC**") shall constitute an integral part of any Contract entered into between SIBUR International GmbH ("**Seller**") and a Party buying the Goods (as defined below) ("**Buyer**", and together with Seller, "**Parties**" and each individually, "**Party**").

PARAGRAPH I. CONTRACT FORMATION PROCEDURE

1.1 To purchase the Goods, Buyer shall send Seller an order for the Goods which Buyer wishes to purchase in accordance with Article 1.1 ("**Purchase Order**"). A Purchase Order shall specify: (i) the type of goods which Buyer wishes to purchase ("**Goods**"); (ii) the quantity of Goods (the "**Nominated Quantity**"); (iii) the place the Goods are to be delivered to ("**Place of Destination**"); (iv) the Incoterm applicable to the delivery; (v) Buyer's order number; and (vi) other information concerning delivery of the Goods, including any preferred means of transport.

1.2 Seller shall notify Buyer of its confirmation (including the price at which it is willing to deliver and sell the Goods ("**Price**") and the method for payment for the Goods as provided in Article 3.2) or propose amendments to the Purchase Order by sending Buyer a Seller's offer for delivery of the Goods to Buyer on the certain terms and conditions specified therein ("**Sales Order Confirmation**" or "**SOC**") in accordance with Article 1.2. Buyer shall consider and accept the SOC within the timeframe provided therein. If a SOC is not accepted by Buyer within the timeframe provided therein, Seller's offer in accordance with the terms of the SOC shall be regarded as rescinded. Upon Buyer's acceptance of the SOC (date of such acceptance, the "**Effective Date**"), the SOC and the BTC together shall constitute a binding contract (the "**Contract**") for Seller to deliver and sell, and for Buyer to purchase, the Goods specified under the terms and conditions of the SOC and these BTC. Entry into the Contract by Buyer shall be deemed to constitute unqualified acceptance of the BTC.

1.3 The Purchase Order, the Sales Order Confirmation and any other communication given or made by the Parties in connection with those documents shall, unless otherwise agreed by the Parties, (i) in hard copy which, in the case of Purchase Orders, SOC's and notifications from the Buyer that it accepts an SOC, shall be signed by an authorized representative of the relevant Party; or (ii) be through email correspondence from the email addresses and contact persons of the Parties designated in advance in the Contract or in official confirmation letter from the Buyer. Any communications given or made in accordance with this Article 1.3 shall be deemed to have been duly authorised by the Party giving or making the communication.

1.4 If there is any conflict between the terms of the Contract and these BTC, the express terms of the Contract shall prevail. These BTC shall apply to the exclusion of, and shall prevail over, any terms or conditions contained in or referred to in Buyer's acceptance of the Contract, or in any other documentation submitted by Buyer, or in any other correspondence, or implied by trade custom, practice or course of dealing.

PARAGRAPH II. DELIVERY

2.1 General Delivery Terms

2.1.1 Unless otherwise agreed in the Contract, delivery of the Goods shall be made by road tanker or rail tank car, not unloaded, at the Place of Destination.

2.1.2 If the means of transport is not agreed in advance, Seller may, at its discretion, choose a means of transport suitable for delivery of the Goods to the Place of Destination and Buyer hereby unconditionally accepts the means of transport chosen by Seller and waives any and all claims in this regard.

2.1.3 Seller shall use its reasonable endeavours to deliver the Goods on the date or within the timeframe as specified in the Contract. Time of delivery shall not be of the essence and Seller shall not be liable to Buyer for any loss or damage caused by a delay in delivery of the Goods. Seller shall keep Buyer informed of any material variation from the agreed delivery times. If Seller has failed to deliver the Nominated Quantity of the Goods (taking into account Seller's delivery tolerance pursuant to Article 4.1.2) within the agreed period for any reason, the Parties shall use reasonable endeavours to agree revised delivery terms for the outstanding quantity of the Goods. If Seller has failed to deliver the outstanding quantity of the Goods within ninety (90) days of the agreed original delivery date, either Party shall have a right to terminate delivery of that shipment of the Goods without any further liability to the other Party for such delay and Buyer agrees that such termination right shall be Buyer's sole remedy for Seller's failure to deliver that shipment on the specified date. In the event of a prepayment pursuant to Article 3.2.1, if a Party terminates a delivery in accordance with this Article 2.1.3, Seller shall within ten (10) Business Days return to Buyer the actual amount of prepayment received from Buyer corresponding to the quantity of the Goods whose delivery was terminated pursuant to this Article 2.1.3. For the purposes of these BTC, "**Business Day**" (or "**Banking Day**") shall mean any day other than Saturday, Sunday or any public holiday on which banks in Vienna (Austria) are open for business.

2.1.4 Seller shall not be liable for a failure to perform its obligations under the Contract if any Carrier refuses to accept the Goods for transportation. For the purposes of these BTC, "**Carrier**" shall mean any person or company performing or procuring the performance of a contract of carriage by rail, road or a combination thereof as may be applicable to the terms of delivery.

2.2 Transfer of risk and title

2.2.1 Risk in the Goods shall pass to Buyer in accordance with the agreed Incoterm (2010) as set out in the Contract.

2.2.2 In the case of payment by way of prepayment pursuant to Article 3.2.1, title to the Goods shall transfer from Seller to Buyer upon delivery in accordance with the agreed Incoterm, unless otherwise provided in the Contract.

2.2.3 In the case of payment by way of post payment pursuant to Article 3.2.2, Seller shall retain title to the Goods to the fullest extent permitted by law, until payment for the relevant quantity is actually received from Buyer, even if the Goods have been co-mingled. Until payment is made, the Goods must be separately stored, identified (where possible) and must be returned to Seller or be made available for collection by Seller at Seller's request. Seller may enter Buyer's premises to collect the Goods and Seller may maintain an action for payment, notwithstanding that Seller retains ownership of the Goods.

2.2.4 Upon delivery of the Goods, Seller shall present valid Transportation Documents to Buyer (for the purposes of these BTC, "**Transportation Documents**" shall mean, for deliveries by rail, a railway bill or, for delivery by road, a CMR (or consignment note)). Such documents shall be signed and marked by Seller and Carrier of the Goods or by an authorized representative of the railway Carrier at the place where the Goods are to be loaded (dispatched), which shall be without limitations (i) the Manufacturer or warehouse or storehouse or (ii) any other place as may be specified in the Contract ("**Place of Shipment**") respectively and shall constitute non-disputed proof of delivery by Seller.

2.2.5 Buyer warrants that the Place of Destination is (i) reachable by the agreed means of transport and (ii) suitable, safe and equipped, if necessary, for the delivery and unloading of the Goods. Buyer shall be liable for and shall indemnify Seller in respect of any delay in unloading or any loss or damage, including but not limited to any liability for damage to the railway wagon or auto truck, arising out of any breach of the warranties in this Article 2.2.5. Seller shall retain the right to inspect the facilities at the Place of Destination.

2.3 Arrival information

2.3.1 At least five (5) Business Days before the first day of laytime of a shipment, Buyer shall provide Seller with: (a) details of all documentation required at the Place of Destination; (b) the identity of the terminal(s) at the Place of Destination, with instructions to enable the Carrier to prepare and submit necessary information to the customs authorities; and (c) any other documents requested by Seller.

2.3.2 Should Buyer fail to timely submit arrival information, Seller may, at its sole discretion, choose to extend the time for delivery of the Goods which, if so extended, will not constitute a waiver of Buyer's breach of the Contract. Any delays in loading the Goods at the Place of Shipment (including circumstances where Seller is entitled to delay shipment) or in unloading the Goods at the Place of Destination caused by Buyer's failure to provide any necessary arrival information, or as a result of omissions or inaccuracies in the arrival information provided by Buyer, will be for Buyer's

account. Buyer shall indemnify Seller for all costs, losses and damages, including, but not limited to, demurrage and/or detention incurred by Seller as a result thereof.

2.3.3 No later than three (3) Business Days after shipment of the Goods from the Place of Shipment, Seller shall provide by email to Buyer all information necessary for unloading of the Goods including: (a) Contract reference number; (b) Transportation Document reference number(s); (c) rail tank car or auto truck identification number(s); (d) a description of the Goods and their Transportation Document quantity; and (e) the estimated time of arrival of a shipment of the Goods at the Place of Destination. The date of shipment shall be the date stamped on the relevant Transportation Document at the departure point.

2.4 Seller's right to refuse

2.4.1 Seller shall be entitled to refuse at any time to undertake or complete a delivery of the Goods if:

- (a) it is not possible to deliver under the intended or customary route to the Place of Destination for reasons beyond Seller's control;
- (b) the cost of the delivery to the Place of Destination (including Taxes) and/or insurance, if applicable, has materially increased from the date on which the Contract was entered into; and/or
- (c) at any time after loading at the Place of Shipment, either: (i) importation of the Goods to the Place of Destination is prohibited by Sanctions or applicable Laws; or (ii) the country, territory or region through which a shipment is scheduled to pass en route to the Place of Destination becomes affected by Sanctions.

2.4.2 Should Seller agree to undertake delivery under an alternative route or at an alternative destination nominated by Buyer, Buyer shall indemnify and hold harmless Seller for any additional costs incurred in undertaking the delivery by way of an alternative route or to an alternative destination.

2.5 Laytime

2.5.1 Unless otherwise agreed by the Parties in accordance with the procedure set out in the Contract, the allowed laytime for the unloading of a quantity of the Goods shall be twenty four (24) hours for delivery by railroad and six (6) hours for delivery by road respectively or such a lesser period as may be specified in the relevant charterparty.

2.5.2 Laytime shall commence two (2) hours after the relevant train or truck has arrived at the Place of Destination.

2.5.3 For delivery by railway, the train will be deemed to have arrived according to the schedule (the exact arrival time, when required, can be evidenced from the records of the relevant train station). For delivery by road, the truck will be deemed to have arrived at the time the relevant notice is furnished by the Carrier at the Place of Destination in accordance with the Carrier's records.

2.5.4 For the purpose of calculating laytime, unloading of the Goods shall be deemed to have been completed upon disconnection of the discharging hoses or the unloading of the last portion of a firm cargo (as applicable).

2.6 Demurrage

2.6.1 In circumstances where Buyer is required under the Contract to unload the Goods, if Buyer has not unloaded the Goods within the time allowed in accordance with the laytime provisions of the Contract, Buyer shall pay Seller demurrage in respect of the excess time at the demurrage rate set out in the Contract within five (5) Business Days after the issuance of the relevant invoice by Seller.

2.6.2 Where no demurrage rate has been provided in the Contract, the demurrage rate shall be as set out in the relevant agreement with the Carrier or, if the agreement does not specify a demurrage rate, as per the market rate for the applicable means and size of transport on the date of the completion of unloading as shall be assessed by a mutually agreed independent broker.

2.6.3 It is presumed that container, railway wagons, container chassis and SILO trucks (each, a "Transport") arrive at the Place of Destination for unloading in good condition, unless Buyer promptly (but not later than three (3) hours after arrival) informs Seller of any defects. In the event of damage to Transport by Buyer or Buyer's counterparties, Buyer shall immediately inform Seller about the occurrence of such event and shall indemnify and hold Seller harmless for any losses incurred due to such damage within five (5) days from the date of Seller's demand. If any Transport is lost within the period of use by Buyer or Buyer's counterparties, Buyer shall pay to Seller an amount equal to the market value of the relevant Transport of identical model and year of manufacture including costs incurred for putting it into operation. The Transport shall be deemed lost if it is not returned to Seller within ninety (90) days from the date of the Goods arrival at the Place of Destination.

Buyer is responsible for the transfer of empty rail tank cars in accordance with Seller's instructions advised pursuant to the Agreement on International Goods Transport by Rail (SMGS). In the event of a wrong or incorrect usage of Seller's SMGS instructions, Buyer shall pay Seller liquidated damages at the rate of USD 500 (five hundred United States Dollars) per rail tank car per day. In addition to the foregoing Buyer shall reimburse Seller for all documented costs and expenses incurred due to the incorrect filling of the shipping documents for the empty Transport, resulting in the Transport's return to an incorrect railway station. For the avoidance of doubt, if the shipping documents for the rail tank cars return are filled in accordance with Seller's instruction, Buyer shall not be responsible for any costs and expenses incurred due to their return to an incorrect railway station.

2.7 Customs formalities

2.7.1 If Goods are exported from the customs territory of the Russian Federation, Buyer shall ensure the departure of Goods from the territory of the Russian Federation within 180 (one hundred and eighty) calendar days from the date when the customs procedures for export are completed on the territory of the Russian Federation (date of the stamp "Clearance allowed" in CCD).

2.7.2 Unless otherwise provided in the Contract, for the delivery by road transport and/or for the delivery by railroad within 7 (seven) Business Days from the date of issue of railway bills and / or CMR, Buyer shall provide the copies of: railway bills with legible notes made by the destination railway station; and/or CMR with legible notes of border crossing. 2.7.4 The Parties confirm that the above liquidated damages are the reasonable and proportionate to protect Seller's legitimate interest in performance in the event the Transportation Documents are not provided to Seller within specified period.

3.1.1 The Price (per metric ton) payable for the Goods shall be in accordance with the Contract and as set out in Seller's invoice. Buyer shall make payment by telegraphic transfer. Funds must be received in Seller's nominated bank account as indicated in the invoice by no later than the due date on Seller's invoice or no later than the last Banking Day before the due date if that due date falls on a non-Banking Day. Buyer shall provide Seller with a copy of its SWIFT confirmation within twenty four (24) hours of payment. The date of payment shall be deemed to be the date Seller's nominated bank account is credited with 100% (one hundred per cent) of the amount specified in Seller's invoice. The Parties hereby agree notwithstanding the currency specified in price determination of the Goods in the Contract the currency of the payment may be any of the following currencies: USD, EUR, RMB, RUB or Swiss francs (CHF). The Buyer shall make all payments under the Contract strictly in the currency specified in the respective invoice issued by the Seller and according to the bank details (hereinafter the "Bank Details") specified in the respective invoice. The conditions of this clause 3.1.1 are of the essence and breach of this clause shall be deemed a material breach for the purposes of the Contract. The payment shall be effected at the exchange rate of the European Central Bank ("ECB"). The invoice amount shall be converted into another currency by using the foreign exchange rate of the European Central Bank ("ECB"), rounded to four decimal places, quoted at 16:00 hours Central European Time as reported on the ECB web site (www.ecb.int), one banking day before the Payment Date. 3.1.2 The Price is exclusive of Taxes (including VAT) and Seller shall have the right to invoice Buyer for any VAT or other Taxes in so far as such Taxes are not for Seller's account under the Contract. For the purposes of these BTC, "**Tax**" or "**Taxes**" shall mean all (i) taxes, fees, duties, tariffs, levies, imposts, or other public charges of any kind, including, without limitation, taxes, required contributions or other charges on or with respect to income, franchise, gross receipts, property, sales, use, profits, capital stock, payroll, employment, social security, health insurance fund, pension fund and other social funds, workers compensation and unemployment or related compensation, (ii) taxes or charges in the nature of excise, withholding, ad valorem, stamp, transfer, value added or gains taxes, (iii) license registration or documentation fees, (iv) customs duties, tariffs and similar charges of any kind whatsoever and (v) any interest, penalties, additions to tax or additional amounts imposed by any taxing authority with respect to those items enumerated in items (i), (ii), (iii) and (iv) of this definition.

For the avoidance of doubt, Seller shall be entitled at all times to set-off against any and all amount owing at any time from Buyer to Seller against any amount payable at any time by Seller under the Contract.

3.1.4 If Buyer fails to pay any amount when due under the Contract, Buyer shall pay to Seller interest on the outstanding amount for each day of delay at the rate of eight per cent (8%) per annum.

The costs of the inspection pursuant to this Article 4.2.2 shall be borne by Buyer. Seller shall, at its own cost and expense, have the right to have a representative present to witness the inspection.

4.2.3 The results of the Goods' quantity and quality inspection at the Place of Destination shall be documented in the report, conclusion, opinion, certificate or other written document (or combination thereof) issued by the Inspector ("**Inspector's Report**") and shall be conclusive and binding on the Parties for invoicing purposes and for quality purposes and/or for quantity purposes, except in case of fraud or manifest error. The Inspector's Report shall be issued to the Parties as soon as practicable upon completion. The Inspector shall retain samples taken for at least ninety (90) days from the date of inspection.

inspection at the Place of Destination must be made by Buyer to Seller as soon as Buyer becomes aware of such non-conformity and, in any event, within two (2) weeks after the Delivery Date. Claims in respect of defects that could not have been reasonably detected during unloading and an inspection at the Place of Destination shall be made to Seller as soon as Buyer becomes aware of such defect, and in any event prior to the processing or co-mingling of the Goods or within ninety (90) calendar days of the Delivery Date, whichever is the earlier.

4.3.3 If Buyer fails to make a claim within the relevant periods provided in this Article 4.3 such claim will automatically be considered as time barred, null and void, and such delivered Goods shall be deemed to be accepted by Buyer and in conformity to the Specifications and further claims in respect of such Goods shall not be permitted.

PARAGRAPH V. LIABILITY

5.1 Late acceptance and non-acceptance

5.1.1 If Buyer fails or refuses to accept a delivery of the Goods or any part thereof within the applicable laytime; provided that such Goods have been delivered in accordance with the Contract, without prejudice to Seller's other rights under the Contract or applicable law, Seller may either (a) pass the Goods to an appropriate local logistics and/or storage company at Buyer's risk and expense of which Buyer shall be notified within a reasonable time; or (b) sell the quantity of the Goods which were not taken by Buyer. Seller shall also be entitled to claim without limitation all and any transport costs, cancellation costs, storage costs, customs duties, demurrage and other similar or related costs and expenses arising out of or in connection with such late acceptance or refusal together with the difference in the price obtained for the Goods when compared to the Price under the Contract.

5.1.2 Seller is entitled to exercise its rights under Article 5.1.1 irrespective of whether title to the Goods has passed to Buyer under the Contract. PARAGRAPH VI. MISCELLANEOUS

6.1 Health, Safety and Environment

6.1.1 The Goods supplied shall be in a condition which Seller reasonably considers to not constitute a hazard to health or safety, provided that the Goods are handled, used and stored in accordance with best industry safety practices applicable to the Goods. Buyer shall consult the Manufacturer's Material Safety Data Sheet (MSDS) (if any), relevant codes of practice and factory inspectorates with regard to adequate hygiene, safety and environmental standards and enforcement thereof, with respect to handling, processing and storing of the Goods and any by-products and wastes. Buyer shall have no claim of any kind against Seller directly or indirectly arising from damage to any property or person as a result of direct or indirect exposure to the Goods. For the purposes of these BTC, "**Manufacturer**" shall mean the plant by which the Goods are produced.

6.1.2 Seller shall not be liable for any cost, loss or damage resulting from the receipt of the Goods in non-compliant storage facilities. Buyer shall indemnify Seller against any claim which any third party may bring against Seller in this respect.

6.2 Force Majeure and Sanctions

6.2.1. Neither Party shall be liable to the other Party for any delay or non-performance of any obligations under the Contract if such delay or non-performance is due to circumstances reasonably beyond such Party's control and could not have reasonably been prevented by such Party ("**Force Majeure Event**"). For the purposes of this Article 6.2, any decrease in the production of the Manufacturer shall be deemed to be a Force Majeure Event. A Party seeking relief under this Article 6.2 shall promptly notify the other Party of the relevant event, which notification shall be accompanied by a certificate or other document describing the occurrence of the Force Majeure Event and its anticipated duration issued by the respective Chambers of Commerce of Seller's or Buyer's country or of a transit country or any other Applicable Authority, or, in the event of a failure to supply by the Manufacturer and/or Seller, a notice issued by the Manufacturer and signed by the authorised representatives of the Manufacturer and Seller. For the purposes of these BTC, "**Applicable Authority**" shall mean (a) any supranational organization or any state or political subdivision thereof, and (b) any authority exercising executive, legislative, judicial, regulatory or administrative functions on behalf of the supranational organization, the state or its political subdivision, including without limitation any supranational authority, government authority, ministry, agency, department, board, commission or instrumentality and subdivisions thereof, pursuant to the rights granted thereto by applicable law. In the event that the affected party's inability to perform exceeds three (3) months, the Party not affected by a Force Majeure Event shall, on giving of 30 (thirty) days written notice, have the right to terminate the Contract. Where the Contract is so terminated, neither Party will be entitled to compensation or damages arising from or in connection with this Clause, save in respect of shipments delivered prior to the Force Majeure Event.

6.2.2. Where any performance by a Party would be in violation of, inconsistent with, or expose such party to the Sanctions, such Party (the "**Affected Party**") shall, as soon as reasonably practicable give written notice to the other Party of its inability to perform. Once such notice has been given the Affected Party shall be entitled: i. to immediately suspend the affected obligation (whether payment or performance) until such time as the Affected Party may lawfully discharge such obligation; and/or ii. where the inability to discharge the obligation continues (or is reasonably expected to continue) until the end of the contractual time for discharge thereof, to a full release from the affected obligation, provided that notwithstanding the foregoing, where the relevant obligation relates to payment for the Goods which have already been delivered under the Contract, the affected payment obligation shall either (i) remain suspended until such time as the Affected Party may lawfully resume payment, or (ii) be cancelled by the Seller, provided that the Parties will have the opportunity to carry into execution the return of such Goods to the Seller, unless otherwise agreed by the Parties in writing; in each case without any liability whatsoever (including but not limited to any damages for breach of Contract, penalties, costs, fees and expenses).

Seller shall not be obliged to deliver any shipment of the Goods if it considers that Buyer shall not be able to perform its payment obligations in relation to that shipment of the Goods as a result of Sanctions.

For the purposes of these BTC, (i) "**Sanctions**" shall mean economic, financial or trade sanctions laws, regulations, embargoes or other restrictive measures adopted, enacted or administered by any governmental authority of the European Union or any of its member, the United States of America, the United Nations, the United Kingdom, Switzerland, Ukraine, Lithuania, Latvia, Finland, Estonia or the Russian Federation; and (ii) "**Affiliate**" shall

6.3.1 The Contract and any non-contractual rights and obligations arising out of or in connection with it shall be governed by, interpreted and construed in accordance with the laws of England and Wales notwithstanding the choice of law rules of any jurisdiction and determined without reference to the principles of conflicts of laws. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to the Contract.

6.3.2 Any dispute arising out of or in connection with this Contract, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the rules of the Arbitration Institute of the Stockholm Chamber of Commerce valid at the date of claim submission ("**SCC Rules**"), which SCC Rules are deemed to be incorporated by reference into this Article. The legal seat of arbitration shall be London and venue of the arbitration shall be Stockholm, Sweden.

The arbitral tribunal shall be composed of a sole arbitrator where the amount in dispute exceeds EUR 100,000 but not EUR 1,000,000. Where the amount in dispute exceeds EUR 1,000,000, the arbitral tribunal shall be composed of three arbitrators.

6.3.4 If the size of the claim is amended, such that a different procedure should apply under this Article 6.3, the relevant arbitration proceedings shall be terminated and recommenced in accordance with the newly-applicable procedure. The amount in dispute includes claims made in the request for arbitration and any counterclaims made in the answer to the request for arbitration.

6.3.5 The decision of the arbitrators shall be final and binding on the Parties. The arbitrators' awards shall be consistent with the limitations of liability and other terms and conditions set out in the Contract, to the extent permitted by English law. The arbitration proceedings shall be conducted in the English language, and the award shall be in English. Each Party shall submit the documents in English.

6.3.6 Each party hereby irrevocably and unconditionally and to the fullest extent permitted by applicable law waives any rights of sovereign immunity which it may have now or which it may subsequently acquire in respect of its position or any property and/or assets (present or subsequently acquired) belonging to it.

6.4 Duration and Termination

6.4.1 The Contract shall come into effect on the Effective Date and shall continue in force until all obligations have been fulfilled (unless earlier terminated hereunder or the Parties agree otherwise in accordance with the procedure set out in the Contract) and/or until such time as all payments are made by Buyer in full.

6.4.2 Seller may, at its sole discretion and in addition to any other legal remedies it may have, upon giving five (5) Business Days' written notice to Buyer, suspend all deliveries under the Contract and/or unilaterally terminate the Contract where: (a) Buyer is in breach of any condition of the Contract; (b) unloading of the Goods is delayed by more than ten (10) hours after a train or truck has arrived at the Place of Destination due to reasons attributable to Buyer and such delay is not excused by any other provision of the Contract; (c) there is a change in the direct or indirect ownership of Buyer or its parent company; and/or (d) Buyer or its parent company either: (i) commences, or becomes the subject of, any bankruptcy, insolvency, reorganization, administration, liquidation or similar proceeding or is in Seller's reasonable opinion expected to be unable or unwilling to pay its debts as the same become due; or (ii) ceases or threatens to cease to function as a going concern or conduct its operations in the normal course of business.

6.4.3 Any termination under this Article 6.4 shall be without prejudice to the rights and obligations of each Party as accrued on the date of termination (including for the avoidance of doubt Buyer's obligation to make payments under the Contract).

6.4.4 Except in relation to any failure or inability to make a payment due under the Contract, and Buyer's liability for demurrage due hereunder, (which shall not be excused), neither Party shall be liable to the other Party for any delay or non-performance of any obligations under the Contract if such delay or non-performance is due to circumstances reasonably beyond such Party's control.
